DJ Suggestions::	<p>Our DJ 'Dave' was thee bomb!!! He came prepared and did an amazing job as our DJ. We had lots of last minute changes during our wedding reception and Dave was so quick and professional taking on the changes. We had 2 first dances, one was in my traditional style dance/music and the other was an American style. I would definitely be booking with Grand Events again and would request Dave as our DJ. He did such a wonderful job and turned our special night into a special memory for years to come. Dave if you're reading this, we'd like to thank you from the bottom of our hearts. You were an amazing DJ!</p>
